About us

Jacinto Convit World Organization (JCWO) is a 501(c)(3) public charity, incorporated in the state of California in 2014. Our mission is to provide free access to modern diagnostics and innovative treatments to those who need it most, while training new generations of professionals. Through specialized scientific programs, we contribute to important areas of public health, such as cancer research and diagnostic testing of illnesses that benefit underprivileged patients in Venezuela.
